

SUMMARY OF INGRAM'S COVID-19 PRECAUTIONARY IMPLEMENTATIONS:

All staff issued with face masks, sanitizer, aprons, over shoes, gloves & visors. Temperatures monitored & recorded every day with the use of an infrared thermometer.

300 newly purchased protective blankets - Vehicles rears and cabs disinfected every evening and protective blankets exchanged upon completion of each individual move. Once blankets are removed from our vehicles they are not re-used on removals until 72 hours have lapsed.

Strict social distancing rule in office and warehouse - 2 metre floor markings displayed on the flooring throughout our premises. Only 2 members of staff present in the cab at any one time with windows open & masks worn.

Our COVID-19 H&S Protocol sheet sent in advance to all prospective customers, so they can be fully briefed on our Health & Safety measures.
